

THE LOFTIN DIFFERENCE

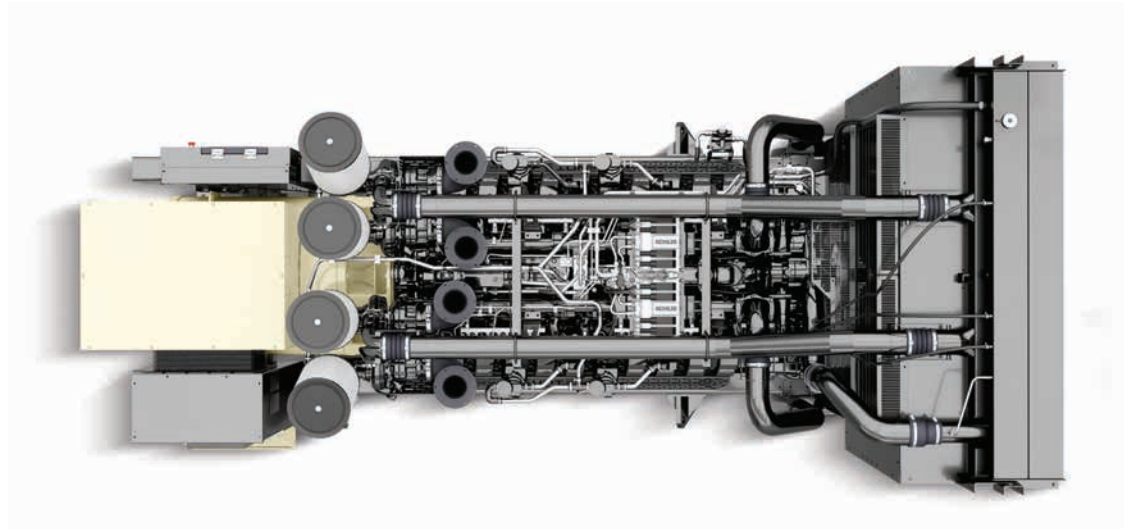

We believe in power as a certainty in an uncertain world. Our team has an uncompromising customer focus. You'll find we have a dedication to excellence from our internal processes to serving our customers in the field. Our team is comprised of passionate people who deliver; we focus on providing only premium quality products and we approach our business with a long term outlook by reinvesting for what lies ahead.

THE KOHLER DIFFERENCE

- Factory Designed and Engineered
- Single-Source Provider
- Reduced Complexity
- Customizable Solutions
- Nearly 100 Years of Experience
- Global Reach

TOTAL SYSTEM INTEGRATION

- Diesel Generators 10 - 4000 kW
- Gas Generators 25 - 1300 kW
- Automatic Transfer Switches
- Remote Annunciator
- Paralleling Switchgear
- Remote Monitoring

KOHLER DIESEL GENERATORS

KOHLER® diesel generators are built to power any application including hospitals, gas stations, data centers, airports, and more. And with our new line of KD Series generators, we offer massive power options up to 4 MW.

KOHLER GAS GENERATORS

KOHLER® gaseous generators from 25 to 400 kW are customized to your specs and available EPA-certified. Large gaseous models from 400 to 1300 kW are designed to work specifically for standby, prime, or continuous applications - whatever you need.

LOFTIN PARTS AND SERVICE SUPPORT

Loftin Equipment Co. takes great pride in our ability to back up our product offerings and we have invested heavily in the people and resources to sustain a first-class level of aftermarket support.

The key to this is both our parts availability and experienced staff, which has full knowledge of all the KOHLER® engine parts, for which we are an authorized distributor. We service all engine and generator brands and also carry an extensive list of parts to support your uptime requirements in the field and on planned maintenance agreements.
